

Breakaway Research Launches New Subscription Research Product;

NEW FOR 2017: BREAKAWAY MINING RESEARCH DAILY & WEEKLY REPORTS

Breakaway Research, an independent research provider specialising in Australian resources for more than 10 years, has launched a new, affordable, subscription research product focused on the mining and energy (resources) sector, The *Breakaway Mining Research Daily* and *Weekly* as part of a subscription package.

Our Daily Report:

Provides all the Australian mining and energy news from overnight and previous ASX announcements which are summarized in an easy to read format. We have included a sample in this subscription pack.

Our Weekly Report:

Includes our Breakaway recommended resource *Portfolios*, and Breakaway resource *Watchlist* as well as analysis of emerging trends, news, events, recent listings, capital raising and merger and acquisition data. We have also included a sample in this subscription pack.

Alliances

One of our key alliances is with **Rob Murdoch** of **Austex Mining**, a market monitoring company that maintains a comprehensive resource database.

Our Subscription Price

Our subscription price is **A \$25 month** or **A \$250 year**, both including GST for our complete package. We believe this represents exceptional value given the comprehensive coverage it offers, but of course you can cancel any time, and for the first two weeks of your subscription you can receive a full reimbursement.

“We believe it is an essential product for investing in the Australian Mining and Energy Sector.”

Get The Exact Results You Want

The combination of daily information flow and the weekly review, including the portfolios (low risk and speculative) and watchlist ‘recommendations’ means that you will be on top of the news, trends and investment opportunities occurring in the sector.
